Councilwoman Basiago there will be multiple signs installed around the park, barricades will be placed to block off both entrances, and the police will be monitoring the area. If caught there, a warning will be issued for the first time. After that, you will be cited. The signs state that there is no entry and that the park is closed due to construction. Stonelylonesome will start work on October 5th. They will be starting with preparing the ground for the pavers. There are 134 pavers currently and will be opening it up again in Spring for those who want to buy pavers.

New Business –

1. President Weber stated that the Panther Valley School District is offering the borough an ATV for \$1.00. Based on discussion with Ronnie, he feels like he can fix it for minimal cost and in turn they would have something with a plow to help clean the police parking lot, sidewalks, and other tight spaces where the bigger trucks and equipment cannot get to. Councilwoman Basiago asked where it would be stored and if anyone looked into what it will cost to insure the ATV. President Weber said it would be stored in the borough garage because it cannot be left outside. Mayor Ruzicka said that it needs to be licensed and insured but the insurance is cheap. **Motion was made by Leigh Ann Kruslicky and seconded by Sherri Buzik to purchase the ATV from the Panther Valley School District for \$1.00.** Motion was opened for comment; none made. Motion carried unanimously by Council.
2. Councilwoman Basiago stated that there is a basket raffle and bask sale to support the Memorial Park project this Sunday, September 27th from 11:00 a.m. – 2:00 p.m. in the training room at the Community Center. Winners will be drawn at 2:00 p.m.
3. President Weber made a statement that Borough Council held an executive session on September 16, 2026 at 6:30 p.m. to discuss Police Contract Negotiations for the contract that expires at the end of the year.

Motion was made by Sherri Buzik and seconded by Joan Morana to adjourn the meeting at 6:39 p.m. until the next meeting of the Summit Hill Borough on October 13, 2026. Motion opened for comment; none made. Motion carried unanimously by Council.
